

CURRICULUM VITAE

Name : **DURGA DATT JOSHI (D. D. Joshi)**
Date of Birth : **May 10, 1940**
Country : **Nepal**
Citizenship : **Nepali**

I. Educational Qualification:

1. High School: 1956
2. Intermediate Science with Mathematics: 1958
3. Intermediate Science with Biology: 1961
4. Bachelor in Veterinary Science and Animal Husbandry: 1965
5. Master in Preventive Veterinary Medicine (MPVM): 1971
6. Research Scholar at the National Animal Research Laboratory Ames, Iowa, USA, 1971.
7. Microbiology Training at Clinical Microbiology Laboratory Veterinary Medical Teaching Hospital, University of California, Davis, USA, 1971.
8. Received UNEP/USSR Zoonoses Management Course from September-November 1980, Moscow, USSR.
9. Received the Training Course on Veterinary Public Health from 4-24 October 1981, organized by Institute of Veterinary Medicine FAO/WHO Collaboration Centre Research and Training in Food Hygiene and Zoonoses, Berlin (West) Germany.
10. Fellow of Indian Society for Malaria and other Communicable Disease (FISCD) 19
11. Nepal Science and Technology Academy Award 2010

II. Research Award and Decorations:

1. Mahendra Vidya Bhusan was awarded by His Majesty King Birendra Bir Bikram Shah Dev in 1971.
2. F.I.S.C.D. (New Delhi, India) in 1979. Fellow of Indian Society for Malaria and other Communicable Diseases awarded by Indian Society for Malaria and other Communicable Diseases.
3. Prabal Gorkha Daxin Bahu Medal awarded by His Majesty King Birendra Bir Bikram Shah Dev of Nepal in December 1983.
4. Gold Medal awarded by Nepal Pediatric Society for best paper on Japanese Encephalitis in Children in 1983.
5. Narendra Memorial Trust Award from Nepal Veterinary Association for outstanding contribution at National and International Level in the field of Veterinary Public Health for more than Thirty Years February 1999
6. Nepal Academy of Science and Technology (NAST) Award for contribution on diagnosis, treatment and control of zoonotic disease and viral encephalitis for the year 2009/2010.

III. Membership of the Learned Societies:

1. Member of the WHO Expert Advisory Panel on Zoonoses, Geneva, from 1980 to date.
2. Member of the WHO Expert Committee on Bacterial and Viral Zoonoses, Geneva, 1981.
3. Consultant to WHO/SEARO Inter-country consultative meeting on Snakebite Management, New Delhi, 1984.
4. Consultant to WHO/SEARO Inter-country consultative meeting on Development of Rabies Prevention Programme, New Delhi, 1984.
5. Member Secretary, Nepal Medical Research Committee, Ministry of Health, HMG, Nepal, from 1982-1987.
6. Member of the evaluation committee of National Council of Science and Technology, HMG, Nepal, 1984.
7. Member of UNEP/USSR Zoonoses Management Evaluation Committee, Centre International Projects, Moscow, 1981.
8. Life Member of the Indian Society for Malaria and other Communicable Diseases, New Delhi, India from 1979.
9. Life Member of Nepal Veterinary Association from 1971.
10. Life Member and Adviser of Nepal Pharmaceutical Association from 1980.
11. Member of Editorial Advisory Board for Preventing Veterinary Medicine, Elsevier Scientific Publishing Co., Amsterdam, The Netherlands, from 1982-1987.
12. Temporary Adviser to WHO inter-country meeting for Health Services Research Development, New Delhi, 1982.
13. Temporary Advisor to WHO inter-regional meeting on participation of Veterinary Public Health in Primary Health Care, Washington D.C., USA, 1983.
14. Temporary Adviser to WHO inter-regional meeting on Japanese encephalitis, Tokyo, Japan, 1983.
15. Temporary Adviser to WHO/SEARO on Rabies in Sri Lanka, 1984.
16. Temporary Adviser to WHO/SEARO on Medical Research, 1984.
17. Life Member, Indian Association for the Advancement of Veterinary Research, 1995.
18. Life Member, Society for the Prevention of Cruelty to Animals, Nepal, 1992.
19. Life Member, Nepal Public Health Association
20. Life Member of the Nepal Dairy Science Association, 1993.
21. Life Member of the Nepal Dairy Professionals Society, 1993.
22. Member of the International Congress on Trichinellosis, 2002.
23. Member National Task Force on Severe Acute Respiratory Syndrome (SARS) Control and Investigation HMG/Nepal 2004/2005.
24. Member on National Task Force for Bird Flu Pandemic Preparedness Plan from 2004 till to date.
25. Member World Society for Protection of Animal (WSPA) UK, London.
26. WHO Expert Advisory Panel Member on Zoonoses from 1980 to 28 April 2012. Geneva
27. WHO Member of the International Health Regulation (IHR) Roster of Experts as an expert in Veterinary Issues/Zoonoses from 07 May 2008 to 6 May, 2012. Geneva.

28. Member of International Advisory Committee for International Forum EcoHealth 2008. December 1st to 5th, 2008, Mexico.
29. Expert Member of Child Health and Nutrition Knowledge Network (CHNKN), New Delhi, India from 21 October 2010 to date.

IV. Participated in International/National Conferences:

1. XIX World Veterinary Congress Conference at Mexico City, Mexico, 1971.
2. First Conference of Animal Science, Nepal, 1973, organized by Department of Agriculture, HMG, Nepal.
3. WHO inter-regional seminar on the Organization of Veterinary Public Health Services, New Delhi, 1974.
4. Seminar of National Science, Nepal, 1974, organized by Institute of Science Tribhuvan University, Kathmandu, Nepal.
5. Workshop Seminar for Tribhuvan University Teachers, 1974, organized by the Institute of Science, T.U. Kathmandu, Nepal.
6. Seminar on Small Area Development Plan for 21 Districts of Nepal, 1975, organized by National Planning Commission and CEDA, Kathmandu.
7. Seminar on Natural Resources of Nepal and Economical Development, Kathmandu 1975, organized by Nepal Royal Academy.
8. Seminar-Cum-Workshop on Development Administration, Nepal 1975, organized by CEDA, Kathmandu, Nepal.
9. Seminar-Cum-Workshop on Project Analysis and Management, Nepal, 1975, organized by CEDA, Kathmandu, Nepal.
10. Seminar-Cum-Workshop on Development Planning, Nepal 1975, organized by CEDA, Kathmandu, Nepal.
11. UNESCO, Man and Biosphere (M&B) Regional Meeting on Ecological Research and Training Needs in the Southern Asian Mountain Systems, in particular the Hindu Kush Himalayas, organized by Nepal National Commission for UNESCO Man and Biosphere Committee, Kathmandu, Nepal, September 26 to October 2, 1975.
12. National Science Convention, organized by National Council of Science and Technology, Kathmandu, Nepal, 1978.
13. Seminar-Cum-Workshop on Livestock Development, organized by Department of Agriculture, 1978, Kathmandu, Nepal.
14. Seminar on Farm Resources Allocation for Efficient Crop and Livestock Systems in Nepal, APROSC, Jan. 28-30, 1979, Kathmandu, Nepal.
15. Seminar on Traditional Medicine and Role of Medicinal Plants. Organized by Nepal Pharmaceutical Association, Kathmandu 2nd & 3rd August 1979.
16. Participated in inter-country seminar for Planning of National and Regional Programme for Surveillance, Prevention and Control of Zoonoses and Related Food Borne Diseases, organized by WHO/SEARO, New Delhi, 12-17 Nov. 1979.
17. WHO inter-regional seminar on the Organization of Veterinary Public Health Services, New Delhi, 1974.
18. First National Seminar on Environmental Sanitation, organized by Environmental Sanitation Section, Epidemiology and Statistics Division, Department of Health Services, Teku, Kathmandu, March 1982.

19. First National Seminar on Epidemiology of Zoonoses in Nepal, organized by Zoonotic Disease Control Section, Epidemiology and Statistics Division, Department of Health Services, Teku, Kathmandu, April 1982.
20. Seminar on "Environment and its Management," organized by Environment Impact Management Project, Soil and Water Conservation Department, Ministry of Forestry, Kathmandu, 8-9 July 1982.
21. Participated in inter-country seminar for Planning of National and Regional Programme for Surveillance, Prevention and Control of Zoonoses and Related Food Borne Diseases, organized by WHO/SEARO, New Delhi, 12-17 Nov. 1979.
22. WHO inter-regional seminar on the Organization of Veterinary Public Health Services, New Delhi, 1974.
23. Participated in Inter-Country Consultative Meeting for Development of Rabies Prevention Programme, organized by WHO/SEARO, New Delhi, 1982.
24. Participated in Inter-Country Consultative Meeting on Snake Bite Management, organized by WHO/SEARO, New Delhi, April 1982.
25. Participated in Meeting of the National Focal Points on Regional Assessment of Health Services Research WHO/SEARO New Delhi, India, 9-11 August 1982.
26. Participated in Meeting of the National Focal Point on NMRC/HSR and HELLIS, WHO/SEARO, New Delhi, India 11-14 January 1983.
27. Participated WHO Export Committee Meetings from 1984 - 1996 in India, Thailand, Switzerland, Spain, USA, Indonesia - Jakarta-Bale, Japan, Nepal, USSR (before division of several states).
28. Participated First Yak Congress in China 1994.
29. Participated International Conference on Veterinary Epidemiology and Economics in Kenya 1994.
30. Participated Asia and Africa Regional Conference on Dairy Production and Marketing in Zimbabwe 1993.
31. Participated First International Conference on Supply and Demand of Animal Products in Urban Areas particularly in developing countries 1994 Seoul, Korea.
32. Participated in the Conference on Activities Implemented Jointly (AIJ): Developing Country Perspectives under the United Nations Framework Convention on Climate Change (UNFCCC) 8-10 January 1997, New Delhi, India.
33. Participated in the International Conference on Environment of Snakebite, Their Treatment and Prophylaxis in Asian Area (ICSA), August 30-Sept 2, 1997, Tokyo, Japan.
34. Participated in inter-country seminar for Planning of National and Regional Programme for Surveillance, Prevention and Control of Zoonoses and Related Food Borne Diseases, organized by WHO/SEARO, New Delhi, 12-17 Nov. 1979.
35. WHO inter-regional seminar on the Organization of Veterinary Public Health Services, New Delhi, 1974.
36. Participated in Inter-Country Consultative Meeting for Development of Rabies Prevention Programme, organized by WHO/SEARO, New Delhi, 1982.
37. Participated in Inter-Country Consultative Meeting on Snake Bite Management, organized by WHO/SEARO, New Delhi, April 1982.
38. Participated in the National Conference on Village Animal Health Worker, organized by UMN The Rural Development Centre, New Road, Pokhara, Sept 11-12, 1997, Kathmandu, Nepal.
39. Participated 2nd International Conference on Emerging Zoonoses, Strasbourg, France, November 5-9, 1998.
40. Participated in Emergence and Control of Rodent-Borneviral Diseases (Hantaviruses and Arenaviruses) October 28 - 31, 1998, Annecy, France.

41. Participated in the WHO meeting on Future Trends on Veterinary Public Health, Giulianova (Teramo), Italy. March 1-5, 1999.
42. Seminar on Rabies Present Status & Future Strategy to Control Rabies In Animals & Human in Nepal, March 17th, 2000 (2056/12/4).
43. Ruminant Methane Production and Chronic Disease, Paper Presented at Second International Conference Methane Mitigation, June 18-23, 2000, Novosibirsk, Russia.
44. International Congress on Yak 4-9 September 2000 Lhasa, Tibet, P.R. China. Paper Presented on Impact of National Parks and Tourism on Yak farming system in the alpine Himalayan Region of Nepal.
45. IXth Symposium of International Symposium on Veterinary Epidemiology and Economics August 6-11, 2000, Breckenridge, Colorado, USA. Paper Presented on Epidemiology of Rabies and Echinococcosis in Nepal.
46. The 3rd Seminar on Food-Borne Parasitic Zoonoses: Food and Water-Borne Parasitic Zoonoses in the 21st Century. Joint International Tropical Medicine Meeting 2000. 6-8 December 2001.
47. South-South Workshop on Small Holder Dairy Production and Marketing-Opportunity and Constraints, NDDDB/ILRI, March 13-16, 2001, Gujrat, India.
48. World Society for Protection of Animal (WSPA) Asia Workshop (WAW), date Monday, 2nd April to Friday 6th April 2001. WSPA London Office, 89 Albert Embankment, UK.
49. A Workshop to Develop A Long-Range Solutions for Rabies Project and Slaughterhouse Construction and Meat Inspection Planning Workshop– April 2001, Kathmandu, Nepal.
50. The 10th International Conference of "Livestock Community and Environment" 20-23 August 2001 Copenhagen, Denmark
51. 3rd International Conference on Emerging Zoonoses, Holland, October 10-14, 2001.
52. Participated in WSPA /Asia Link Workshop in May 6 - 10, 2002 in Bangkok, Thailand.
53. Dr. D. D. Joshi, Director, NZFHRC and Mr. Mahendra Maharjan participated in International Action Planning Workshop on Taenia solium Cysticercosis/Taeniosis with Special Focus on Eastern and Southern Africa: Arusha, Tanzania from 19-22 August, 2002, A joint paper on "Improving Meat Inspection and Control in Resource-Poor Communities: the Nepal Example" was presented by Dr. D. D. Joshi. Another joint paper on "Taenia Solium Taeniosis/Cysticercosis in Asia: Epidemiology, Impact and Issues" presented by Dr. Vedantam Rajeshkhar.
54. Dr. D. D. Joshi, Director, NZFHRC participated in "International Conference on Dairy Outbreak and Meat Production and Marketing" organized by FAO, Rome, Italy from August 26-31, 2002.
55. Dr. D. D. Joshi, Director, NZFHRC has participated in International Conference on **"2002 ICLAS Regional Scientific Meeting Quality in Animal Experimentation and Animal Welfare-Current Condition in Southeast Asia"** November 20-22, 2002 Bangkok, Thailand where Dr. Joshi presented a poster paper on Current Animal Experimentation and Animal Welfare Conditions in Nepal.
56. Dr. D. D. Joshi participated in two days Far Western Development Regional Workshop on the subject of Prospective of Development and Constraints: Dr. Joshi presented paper on possible development of livestock business in that region December 14-15, 2002.
57. One day Conference on "Conservation of Mountain Animal Diversity in Nepal" Organized by jointly NARC and Agriculture and Agri-Food Canada on 27 November 2002, in Kathmandu. Dr. Joshi presented two papers one on "Yak Husbandry in Trouble in Nepal: Glimpses and Review of Problems the Farmers Face" and other one on "The Current Status of Yak: a Review".
58. Dr. D. D. Joshi, Director, NZFHRC and Ms. Minu Sharma, program officer, NZFHRC participated in "Fundraising for Development Research in Asia: An IDRC Pilot Training Workshop" Bangkok 12-16 January 2003 organized by International Development Research Centre (IDRC), Canada.

59. Dr. D. D. Joshi, Director, NZFHRC participated on "South Asia Regional Conference on Transitions Towards Sustainable Development, 10-11 February 2003" Organized by Tata Energy Research Institute/IDRC/IHDP/IGBP/WCRP, New Delhi, India.
60. DR. D. D. JOSHI, DIRECTOR, NZFHRC PARTICIPATED IN FAO/NDDDB INDIA WORKSHOP ON "LIVESTOCK AND LIVELIHOODS: CHALLENGES AND OPPORTUNITIES FOR ASIA IN THE EMERGING MARKET ENVIRONMENT" MARCH 24-26, 2003 IN ANANDA, GUJRAT, INDIA. ORGANISED BY FAO/NDDDB. DR. JOSHI PRESENTED A PAPER ON "MEAT PRODUCTION AND MARKETING IN NEPAL: FROM A SMALLHOLDER LIVESTOCK FARMERS' PERSPECTIVE".
61. Dr. D. D. Joshi, Director, NZFHRC participated in the "3rd International Symposium on Non Co2 Greenhouse Gases" Maastricht The Netherlands from January 21-23, 2002.
62. Dr. D. D. Joshi, Director, NZFHRC participated in the "WHO Expert Committee Meeting on Anthrax,
63. Dr. D. D. Joshi, Director, NZFHRC participated in the "International Forum on Ecosystem Approaches to Human Health Montreal, Canada May 18-23, 2003". Dr. Joshi presented a paper on "Urban Ecosystem Approaches to Human Health: Linkage between Research Results and Policy Development Kathmandu Case Study".
64. Dr. D. D. Joshi, Director, NZFHRC participated in the "7th National Veterinary Conference Kathmandu November 5-7, 2003".
65. Dr. D. D. Joshi Director, NZFHRC participated in the "Asia for Animals Conference Hong Kong, September 3-6, 2003". Organized by SPCA Hong Kong.
66. Dr. D. D. Joshi, Director, NZFHRC participated in the "WSPA Asia-Link Workshop Kaulalumpur, Malaysia, September 7-14, 2003". Organized by WSPA UK.
67. Dr. D. D. Joshi, Director, NZFHRC participated in "Livestock and Livelihoods: Challenges and Opportunities for Asia in the Emerging Market Environment" National Dairy Development Board Ananda, India November 10-12, 2003. Dr. Joshi presented a paper on "Meat Production and Marketing in Nepal from a smallholder livestock farmers' perspective.
68. Dr. D. D. Joshi, Director, NZFHRC participated in the "4th Seminar on Food and Water-borne Parasitic Zoonoses 2nd International Meeting on Gnathostomiasis Joint International Tropical Medicine Meeting 2003", 2-4 December 2003, Siam City Hotel Bangkok, Thailand. Dr. Joshi presented a paper on "Taeniasis/Cysticercosis Situation in Nepal".
69. Dr. D. D. Joshi, Director, NZFHRC participated in the "**South Asia Partnership Nepal Workshop Kathmandu, July 16-18, 2003**" Organized by SAP Canada.
70. Dr. D. D. Joshi, Director, NZFHRC participated in the "**Snakebite Treatment Guideline Workshop Kathmandu, July 24-25, 2003**". Organized by Department of Health Services and WHO.
71. Dr. D. D. Joshi, Director, NZFHRC participated in the "**Third International Conference on Environment and Health & Post-Conference Workshop GIS and IT Tools for Information Sharing**", December 15-18, 2003. Department of Geography University of Madras Chennai: 600 005, India. Dr. D. D. Joshi, Director, NZFHRC participated in the "4th National Conference on Science and Technology. Organized by Royal Academy of Science and Technology Kathmandu, Nepal. March 23-26, 2004.
72. Participated in "**WHO/FAO/OIE Joint Consultation on Emerging Zoonotic Disease Meeting**". Organized by WHO, Geneva, Switzerland. 3-5 May 2004.
73. Participated in "**International Health Regulation Workshop**". Organized jointly by Department of Health Services Epidemiology and Disease Control Division and WHO Kathmandu". June 22 and 23, 2004.
74. Participated in "**The Association Liaison Office for University Cooperation in Development Synergy in Development**" Washington, DC August 11-13, 2004. Higher Education Partnerships for Global Development.

75. Participated in "XIth International Conference on Trichinellosis (ICT-11)". Organized by International Conference on Trichinellosis (ICT). San Diego, California. August 8-12, 2004.
76. Participated in "Fourth International Congress on Yak" Chengdu, China. Organized by Southwest University for Nationalities, Sichuan Provincial Bureau of Animal Husbandry and Foodstuff. September 19-26, 2004.
77. Participated in "World Conference on Magic Bullets to Celebrate Paul Ehrlich's 150th Birthday. Nurn berg Germany. Organized by International Society of Chemotherapy (ISC) September 9-11, 2004.
78. Participated in "2nd International Seminar on Technology Transfer for Immunodiagnosis of Cysticercosis and Echinococcosis". Organized by Asahikawa Medical College, Hokkaido, Asahikawa, Japan. 14 September to 1 October 2004.
79. Participated in "The 3rd Asia Pacific Conference on Evidence-Based Medicine". Organized by The Chinese University of Hong Kong 26-28 November 2004 Hong Kong.
80. Participated in "Asia for Animals Conference 2005 (AFAC)". Organized by Asia for Animals 22-24 June 2005 Singapore.
81. Participated in "1st International Parasitic Disease Update 2005". Organized by Faculty of Medicine University of Indonesia. April 16-17, 2005 Jakarta.
82. Participated in "Taeniasis/Cysticercosis and Echinococcosis International Symposium with Focus on Asia and the Pacific and The Third Congress of Federation of Asian Parasitologists focused on Cestode Zoonoses" Organized by Asahikawa Medical College, Asahikawa, Japan 5-8 July 2005 Asahikawa, Japan.
83. Participated in "6th Joint Annual Conference of Indian Society for Malaria and Other Communicable Diseases (ISMOCD) and Indian Association of Epidemiologists (IAE)". Organized by National JALMA Institute for Leprosy and Other Mycobacteria Disease (ICMR) Agra, India, 11-13, February 2006. He has presented a technical paper titled "Visceral Leishmaniasis in Nepal During 1980-2006"
84. Participated in "Preparing for Pandemic Influenza; The Avian Dimensions and Other Emerging Threats". Organized by Asia Medical Forum The Lancet 2006 3-4 May 2006, Sintec Singapore.
85. Participated in "WSPA Member Society by Annual Meeting and WSAP 25 Years Symposium". Organized by WSPA, UK, London. 7-9 June 2006. He has presented a technical paper titled "**Animal Welfare Issues and Future Strategy in Nepal**".
86. Participated in IDRC activities at the 11th World Congress on Public Health Rio de Janeiro, Brazil. August 21st - 25th 2006. He has presented a paper titled "**An Urban Ecosystem Health Approach to Make a Clear City and Better Health in Kathmandu, Nepal**".
87. Participated in International Conference on "Implementing Global Campaign for Combating Cysticercosis" Rockefeller Foundation Conference Centre Italy". 19-21 September 2006. He presented two following papers: (i) Impact Assessment and Control of Cysticercosis in Nepal; (ii) "Opportunities for Effectively Improving Pork Inspection and Control in Nepal: A Case Study"
88. Participated in 7th Indian Veterinary Congress and XIVth Annual Conference of Indian Association for the Advancement of Veterinary Research (IAAVR) Conference Bareilly India, February 8-9, 2007. He has presented a technical paper titled "**Cysticercus Infection; Newer Strategies for its Control and Eradication**".
89. Participated in *First Annual Conference of Rabies in Asia (RIA) Foundation March 3-4, 2007 Bangalore, India*. He has presented a paper on "**Rabies Situation and Control Programme in Nepal**".
90. Participated in the Workshop for Consensus Building amongst National Alliance Partners to Eliminate Canine Rabies in Nepal and Development of the National Strategic Plan 10-11 April 2007 Kathmandu, Nepal. Jointly organized by WHO, Ministry of Health and Population, Ministry of Agriculture and Cooperative and NZFHRC, Kathmandu, Nepal. He has presented a paper on

"Free Dog Rabies Vaccination in 18 Municipalities of Nepal NZFHRC Constraint and Issues Faced during this Campaign".

91. Participated in 22nd *International Congress of Hydatidology and International Symposium of Zoonoses May 15-19, 2007 Athens, Greece*. He has presented a technical paper titled **"Epidemiological Aspect of Cystic Echinococcosis/Hydatidosis in Nepal"**.
92. Participated in the 21st International Conference of the World Association for the Advancement of Veterinary Parasitology WAAVP 2007 Gent, Belgium 19th – 23rd August. **He has presented two papers titled "Prevalence of Porcine Cysticercosis and Human Taeniasis/Cysticercosis in Nepal"** other one **"Echinococcosis/Hydatidosis Prevalence in Animal and Human in Nepal"**
93. Participate in the Joint International Tropical Medicine Meeting (JITMM) 2007 "Health Security in the Tropics" 29-30 November 2007 Imperial Queen's Park Hotel, Bangkok, Thailand. He has presented two papers titled **"Sero-Epidemiological Evidence of Brucellosis in Human and Animal of Nepal"** other one **"Assessment of Water Borne Helminthic Parasites in Drinking Water Sources of Kathmandu City, Nepal"**.
94. Participated in the Workshop towards an **"Action Plan for Pro-Poor Livestock Research for Sustainable Development in South East Asia"**. Organized by International Livestock Research Institute (ILRI). 4th October 2007 Hotel de l'Annapurna Kathmandu, Nepal.
95. Participated in the 44th Annual Scientific Seminar of MSPTM 4-5 March 2008, Grand Seasons Hotel, Kuala Lumpur Malaysia. He has presented following two technical papers one is oral and other is poster respectively. **"Socio-Economic Impact on Poultry Industry due to Bird Flu Scare (Rumours) in Nepal: Evidence of Intestinal Helminth Parasites in Monkey of Kathmandu Nepal"**
96. Participated in the 8th National Conference (VETCON 2008) May 8-10, 2008, Kathmandu, Nepal. He has presented one technical paper titled **"Animal Welfare Issues and Future Strategy on Welfare Issues"**
97. Participate in the Joint International Tropical Medicine Meeting (JITMM) 2008 "Tropical Medicine in the Omics Era" 13-14 October 2008 Imperial Queen's Park Hotel, Bangkok, Thailand. He has presented two papers titled **"Epilepsy and Neurocysticercosis in Nepal: a hospital-based questionnaire study"** other one **"Japanese Encephalitis (JE) Outbreaks Recorded in Nepal during the Year 2005 and 2006"**
98. Participated in the **"Training Workshop on Tools in Analysing EcoHealth Issues"** October 11-15, November 2008, Chengdu, China. Five following technical papers were presented at Chengdu an oral presentation. **(a) Concept of Urban Ecosystem Health Project (UESHP) Approach to Echinococcosis in Health Transition in Nepal with Reference to Ecosystem Health, (b) Entry Point of Urban Ecosystem Health Project (UEHP) Approach with Regard to the Adaptive Methodology for Ecosystem Sustainability and Health (AMESH), (c) Participatory Action Research (PAR) in Urban Ecosystem Health Project (UEHP), (d) Identification/Selection Classification and Analysis of Stakeholders Who are Stakeholder under Urban Ecosystem Health Project in Kathmandu Case Study? Stakeholders Hierarchy in the Government, Biophysical System and Political Decision Making System and (e) Presentation of Ecosystem Health Issues/Influence Diagram on Water Quality and Management, Waste/Garbage Management, Food, Urban Ecosystem Health Concern Needs/Issues**
99. Participated in the International Eco-Health Forum on Healthy Environments, Healthy People, held in Merida, Yucatan, Mexico from December 1-5, 2008. He has presented two following technical papers were presented at IEF an oral presentation. **(a) Impact of Urban Ecosystem Health Project (UESHP) in Kathmandu Nepal and other one (b) Multi-Stakeholder Participation in Urban Ecosystem Health Research in Kathmandu, Nepal**
100. Participated in "Training on Livestock and Poultry Derived Food Safety and Hygiene in Four Community Communities of Chitwan District, Nepal" was jointly organized by Tribhuvan University IAAS Veterinary School, Chitwan, Rampur, Nepal and Tufts University School of Veterinary Medicine, USA on 16 March 2009.
101. Participated in the Social Analysis System (SAS) Training Workshop in Pokhara from May 12-14, 2009

102. Participated in 22nd Conference of the World Association for the Advancement of Veterinary Parasitology (WAAVP) August 9-13, 2009 Calgary, Alberta, Canada. Three following technical papers were presented at WAAVP an oral and poster presentation.
- Survey on porcine trichinellosis in Nepal diagnosed by ELISA and Pepsin digestion Methods.
 - Prevalence of Visceral Leishmaniasis in Human Population of Siraha District in Nepal.
 - Assessment of Helminthological Contamination in Drinking Water Sources of Kathmandu Valley, Nepal.
103. Participated in the 3rd International Symposium of Integrative Zoology held at the Olympic Village Science Park in Beijing from 8 – 10 July 2009. This symposium was organized by the ISZS, the Institute of Zoology, Chinese Academy of Sciences and China Zoological Society with support from the Bureau of International Cooperation, Chinese Academy of Sciences and the Division of International Affairs, China Association of Science and Technology. He has presented following technical papers were presented at ISZS an oral and poster presentation.
- "Epidemiological Surveillance Outbreak Record of Visceral Leishmaniasis/Kala-azar in Nepal during the Year 2005-2008"
 - Epidemiological Surveillance Study of Snakes and Snakebite Human Cases in Nepal.
104. Participated in the Joint International Tropical Medicine Meeting (JITMM) 2009 "**Tropical Health in a Time of Economic Crisis**" and 6th Seminar on Food and Water – Borne Parasitic Zoonoses (FBPZ6) 2-4 December 2009 Central Grand and Bangkok Convention Centre at Central World, Bangkok, Thailand. Three following technical papers were presented at JITMM an oral and poster presentation.
- a) "**Human Cases of Swine Flu (Influenza A H1N1) Confirmed in Nepal**"
 - b) "Fascioliasis a Parasitic Food Borne Zoonoses Infection in Meat Animals of Kathmandu"
 - c) Birdflu (Avian Influenza – AI) Outbreaks Detected First Time in Jhapa District of Nepal.
105. **Participated in 8th International Conference on Urban Health (ICUH) October 18-23, 2009, Nairobi Kenya.** In this conference Dr. Joshi has presented a paper on "Kathmandu Urban Ecosystem Health Project a Model Approach".
106. Participated in has participated 15th Congress of Nepal Paediatric Society (NEPAS). This congress had theme "Social Determinants of Neonatal Health" from 25th – 27th March, 2010 Annapurna Hotel, Kathmandu, Nepal. He has presented a paper on "**Snakebite Morbidity and Mortality Cases in Children of Terai, Inner Terai and Mid Hill Districts of Nepal During the year 2008**"
107. Participated on the 9th National Veterinary Conference of Nepal Veterinary Association, VETCON 2010 from 22-24 April 2010 Kathmandu, Nepal. He presented two following papers during the conference:
1. **Seroprevalence of Porcine Cysticercosis and Human Taeniasis/Cysticercosis in Nepal**
 2. **Zoonoses and Human Health**
108. Participated in the workshop on **Zoonoses Parasitology (Parasitic Zoonoses)** 21st June 2010. This workshop was organized by Veterinary Public Health Department Tripureshwor, Kathmandu, Nepal. He has presented paper on "**Zoonoses Parasitology (Parasitic Zoonoses)**" during the workshop.
109. Participated in the National Epidemiological Meeting in Kathmandu from 23-25 June 2010. This workshop was organized by Nepal Health Research Council and World Health Organization. He has presented a paper entitled "**Epidemiology of Zoonotic Diseases**" in this conference.
110. Participated in the Mid-term Review Workshop of the project entitled "**Land Use Change and Human Health in Eastern Himalayan – an Adaptive Ecosystem Approach**" from June 28th – July 1st, 2010 Kathmandu, Nepal. This Workshop was organized by ICIMOD, Kathmandu, Nepal. He has presented a paper on "**Urban Ecosystem Health Project in Kathmandu**" during the workshop.
111. Participate in the Ecohealth 2010 conference in London from August 18 to 20, 2010. This is the third biennial conference of the International Association for Ecology and Health (IAEH). It will take place at and is hosted by the London School of Hygiene and Tropical Medicine and is generously supported by the International Development Research Centre (IDRC) Ottawa, Canada. Dr. Joshi has presented a technical paper on

- “**Rebuilding Urban Ecosystem for Better Community Health in Kathmandu, Nepal**” at the conference as an oral presentation.
112. Participated in **2nd Conference of Veterinary Practitioner Association of Nepal (VPAN)** helded at Himalaya Hotel, Kupondole, Lalitpur on November 19- 20, 2010. The main theme is "empower Veterinary Practitioners through **Continuing Education Program** in clinical and academic fields for the betterment of animal health services in Nepal".
 113. Participated in the Proposal Development Workshop on Environmental Change, Transforming Livelihoods and Disease Emergence in South Asia (India, Nepal, Sri Lanka), 29 Nov- 2 Dec, 2010 Hotel Manaslu Pvt. Ltd, 23, Hotel Marg, Lazimpat, Kathmandu, Nepal. He has presented “**Assessment of Vector Borne Communicable Infectious Japanese Encephalitis (JE) Disease Outbreaks Status in South Asia Particularly in Nepal, India and Sri Lanka**”
 114. Institute of Agriculture and Animal Science (IAAS), Tribhuvan University (TU) Rampur campus was organized a one day "**National Workshop on Rabies Control Strategy of Nepal**", which was scheduled helded on 12 Dec. 2010 (26 Mangsir 2067) at IAAS Rampur, Chitwan, Nepal. National Zoonoses and Food Hygiene Research Centre (NZFHRC) organized of this workshop. Dr. D. D. Joshi presented two following papers:
 - a. "Review of National Strategic Rabies Control Plan in Nepal"
 - b. Role of National Zoonoses and Food Hygiene Research Centre and Associated with Rabies Control Programme in Nepal
 115. **VPAN's 2nd two day conference** was held at Himalaya Hotel, Kupondole, Lalitpur on November 19- 20, 2010. The main theme was "Empower veterinary practitioners through **Continuing Education Program** in clinical and academic fields for the betterment of animal health services in Nepal". Dr. D. D. Joshi participated in this conference.
 116. Dr. Durga Datt Joshi, Executive Chairman, NZFHRC has participated meeting on "**Quality Standard of Meat and Meat Products**" on 29 December 2010. It was organized by National Food Knowledge Centre Kathmandu.
 117. Dr. Durga Datt Joshi, Executive Chairman, NZFHRC has participated in "**The 1st Ecohealth Network Meeting**". Meeting venue will be in Sea View Resort and Spa, Koh Chang, Trat Province, Thailand, 29-31 January 2011.
 118. Dr. Durga Datt Joshi, Executive Chairman, NZFHRC has participated workshop on "**Developing Epidemiological Roadmap at National Level**" on March 22-23, 2011, Hotel Shankar, Lazimpat, Kathmandu. It was organized by Nepal Health Research Council (NHRC), Kathmandu, Nepal and World Health Organization (WHO), Nepal.
 119. Dr. Durga Datt Joshi participated in a workshop entitled "Land use change and human health in eastern Himalayas – the final project summary and dissemination workshop" at the ICIMOD, Kathmandu, Nepal during from 20th to 22nd July 2011. During workshop he has presented a paper titled "A Ecosystem Action Research in Kathmandu"
 120. Dr. Durga Datt Joshi, Executive Chairman has participated in the "**Discontools Expert Group on anthrax**". IFAH-Europe offices located on the 5th floor in Rue Defacqz, 1 in B-1000 Brussels Belgium on 27 July, 2011 to 29 July, 2011. He presented paper on "**Anthrax Status in South East Asia and Western Pacific Region**".

List of Publications by Dr D. D. Joshi

1. A book on Veterinary Public Health Hazards in Nepal, HMG Press, Kathmandu, 1973.
2. Serological study on the incidence of Brucellosis in Kathmandu. Paper presented in the First Animal Science Conference, Kathmandu, Nepal, 1983, Published in Bull. Vet. Sc. and An. Husb. Nepal Vol. 5.32-37, 1976.
3. Preventive measures of contagious diseases of animals (in Nepal). KRISHI, Vol. 4 (1961) 2018 B.S. pp: 192-194.
4. Studies on diseases of domestic animals and birds in Nepal. V. Serological evidence of Brucellosis. The J. Com. Dis. 6(4) 1974, pp: 325-328, India.

5. Preliminary observation on the prevalence of Tuberculosis, Para-Tuberculosis and Brucellosis at Livestock Farm, Pokhara, Bull. Vet. Sc. & An. Husb. Nepal, Vol. 3 pp: 1-9. 1974.
6. A Book on Animal Health, Livestock and Dairy Development Statistics of Nepal, HMG Press, 1977.
7. Development of Veterinary Services in Nepal Australian Veterinary Practitioner, Vol. 4 No. 4 pp: 223-225, Australia, 1974.
8. Observation on the epidemiology of foot and mouth disease of Government Livestock Farm, Khumaltar, Bull. Vet. Sc. and An. Husb. Nepal, Vol. 3 No. 1 pp: 10-15, 1974.
9. Veterinary Public Health Services in Nepal, Presented at inter-regional Seminar on the Organization of Veterinary Public Health Services, New Delhi, 1974, organized by WHO.
10. Para-amphistomiasis in water buffaloes (*Bubalus bubalis*) Bull. Vet. Sc. and An. Husb. Nepal, Vol. 3 No. 1 pp: 19-22, 1974.
11. Commentator's comments on Dr. C.P. Gorkhali's paper on education, training and research in Natural Sciences, 1974. Presented at seminar on Natural Science, Tribhuvan University, Kathmandu, Nepal.
12. Local terminology of Yak and its Crossbreeds. Bull. Vet. Sc. and An. Husb. Nepal, Vol. 3 No. 1 pp: 28-36, 1975.
13. Epidemiological studies on Sheep-pox outbreak in North Western Nepal. Bull. Vet. Sc. and An. Husb. Nepal. Vol. 1 pp: 37-41, 1974.
14. Prevalence of Tuberculosis in cattle and buffaloes of Kathmandu and Pokhara. Presented at Seminar of Natural Resources of Nepal and Economic Development 2032 B.S. (1975) organized by Nepal Royal Academy, Kathmandu, Nepal.
15. Brucellosis from animal to man (in Nepal). KRISHI, Vol. 7 (1972) 2029 B.S. pp: 9-33.
16. Some observation on the incidence of fascioliasis in Yak and Hilly Cattle. Bull. Vet. Sc. and An. Husb. Nepal. Vol. 4 No. 2 pp:1-3, 1975.
17. Livestock Development for meat (In Nepal) KRISHI. Vol. 3, 1974.
18. Serological evidence of *Mycoplasma galisepticum* infection on poultry in Nepal. Bull. Vet. Sc. and An. Husb. Nepal, Vol. 4 No. 1 pp: 9-12, 1975.
19. Incidence of fascioliasis in sheep and goats of Jumla and Tibrikot Districts. Nep. J. Agri. Vol. 6-11, February 1971, 76 pp: 107-113.
20. Alpine pasture, its management, system and types of pasturelands, (in Nepali) KRISHI Issue (1974) 2031 B.S. pp:35-38.
21. Ecological notes on Yak herding in Humla. Bull. Vet. Sc. and An. Husb. Nepal. Vol. 4 No. 1 pp: 20-24, 1975.
22. Importance of animal quarantine in Nepal (in Nepali) KRISHI Vol. 1, 2032 (1975), pp: 13-16.
23. Preliminary observations on the prevalence of Jhone's disease in polwarth sheep at Karnali sheep farm Guthichour, Bull. Vet. Sc. and An. Husb. Nepal, Vol. 5 March 1976 pp: 6-9.
24. Rabies disease in animals, (in Nepali) "Bigyan Ka Kehi Kura" (1977) Royal Nepal Academy, Kathmandu.
25. Role of Livestock in agriculture development, paper presented in 10th Seminar Cum-Workshop of Development Administration, Organized by CEDA, T.U. 1976.
26. Dairy farming (cattle & buffalo), paper presented at 4th seminar-cum-workshop organized by APROSC, Kathmandu, June 7, 1976.
27. Sheep and goat farming. Paper presented on 4th seminar-cum-workshop on "Investment feasibility studies in rural areas and project planning" organized by APROSC, Kathmandu, June 22, 1976.

28. Preliminary survey of indigenous alpine pasture grasses in Solu-Khumbu, Rasuwa and Tibrikot districts of Nepal. *Nep. J. Agri.* Vol. 12, February, 1977, pp: 195-201.
29. Poultry farming, paper presented on 5th seminar- cum-workshop on "Investment feasibility studies, in rural areas and project area and project planning." Organized by APROSC, Kathmandu, July 3, 1976.
30. Epidemiological studies on swine fever outbreak in Lalitpur and Bhaktapur Nagar Panchayat areas, *Nep. J. Agri.* Vol. 12 Feb. 1977, pp: 225-228.
31. Study on hay and water consumption by Yak of Solu-Khumbu Yak breeding farm. *Bull. Vet. Sc. and ani. Husb. Nepal.* Vol. 5, March 1976 pp: 16-21.
32. Buffalo dairy development. Paper presented at 5th seminar-cum-workshop on "Investment feasibility studies and project planning". Organized by Agricultural Projects. Service Centre, Dilli Bazaar, Kathmandu, Nepal, June 30, 1977.
33. Prevalence of parasitic infection in Yaks, Chauries and Kirkho cattle of Khumbu Valley. *Bull. Vet. Sc. and An. Hus. Nepal.* Vol. 7-10, 1977.
34. A book on "Livestock trade statistics of Nepal." Published by Mrs. K.D. Joshi, Kathmandu, 1979.
35. Incidence of parasitic infestation in sheep and goats of Mycot village Panchayat, Rukum. *Nep. J. Agriculture.*
36. Application of science and technology in agriculture development. Paper presented at National Science Convention, Organized by National Council of Science and Technology, HMG, Nepal, 1977.
37. A book on "General outline and technical norms of livestock project preparation "APROSC, 1978.
38. Livestock trade between Tibet (China) and Nepal (from 1956/57 to 1970/71). *Bull. Vet. Sc. & An. Husb.* Vol. 7, pp: 9-13, 1978.
39. Some of the disease problem sin Jamunapari goats of Nuwakot district, *Bull. Vet. Sc. and Ani. Hus. Nepal* Vol. 7, 1978, pp: 27-28.
40. Detailed feasibility survey report on livestock sector, Karnali-Bheri Integrated Rural Development project. July 1978.
41. Surveillance, prevention and control of zoonoses in Nepal, A country report presented in inter-country Seminar for Planning of National and Regional programme for surveillance, prevention and control of zoonoses and related food-borne disease organized by WHO/SEARO New Delhi 12-17 Nov. 1979.
42. Role of indigenous drugs in veterinary medicine, paper presented at the seminar on traditional medicine and role of medicinal plants, organized by Nepal Pharmaceutical Association. 2nd & 3rd Aug 1979.
43. Studies on diseases of domestic animals and birds in Nepal. Hemorrhagic syndrome in pullets and layers poultry guide, Vol. XVII. No. 1 July 1980 India.
44. A book on "Pashu Jan Swasthya" (Veterinary Public Health") a text book for certificate level of Tribhuvan University, Published by Curriculum Development Centre 1980.
45. Role of livestock in the economic development of Nepal. *Bull. of Vet. Sc. and Ani. Husb. Nepal* Vol. 8, 9, pp: 37-45, 1981.
46. Virus encephalitis in humans. *The New Horizons* Vol. 1 No. 3, Oct/Nov. 1981, Kathmandu.
47. Japanese encephalitis in Rupandehi district, Siddhartha Jaycees, Souvenir, pp: 9-12, 1981.
48. Incidence and prevalence of Rabies in animal and human populations of Kathmandu valley, *J. Nep. Med. Assoc.* 1981. Vol. 19, No: 1, pp: 134-141, Kathmandu.
49. Snake bite situation in Nepal. A country report presented in inter-country consultative meeting on snakebite management organized by WHO/SEARO, New Delhi 12-15 Nov. 1981.

50. Rabies country report, paper presented at consultative meeting on rabies control organized by WHO/SEARO, New Delhi, 5-8 April 1982.
51. Zoonotic disease control activities in Nepal, paper presented at First National Seminar of Epidemiology of Zoonoses, Nepal, 11-13 April 1982.
52. A book on "Yak and Chauri Husbandry in Nepal," published by Mrs. K.D. Joshi, Kathmandu.
53. Zoonotic disease and reporting system, paper presented in First National Training Workshop for Medical Records Assistants, organized by Epidemiology and Statistics Division, Department of Health Services, HMG, and WHO 14-28 March 1982, Kathmandu.
54. Development of Livestock and Veterinary Services in Nepal (in Nepali) published in the book "Nepalma Bigyan Ra Prabidhi Ko Bikash" by Nepal Royal Academy 2039 B.S. (1982) Kathmandu.
55. Serological surveillance of Virus Encephalitis in Nepal II Serological Survey of Pigs and Birds and other animal populations for Japanese encephalitis in the epidemic areas following the outbreak in 1979 & 1980.
56. Dengue in Nepal 1980 and 1981. J. Nep. Med. Assoc. 1982 Oct-Dec; 20(4): 22-30.
57. Epidemiological surveillance of snakebite case treatment and mortality in Nepal.
58. Environment in relation to public health, paper presented at seminar "Environment and its management," organized by Environment Impact Management Project, Soil and Water Conservation Department, Ministry of Forest, Kathmandu, 8-9 July 1982.
59. Development of health system research in Nepal.
60. Epidemiological study of Virus Encephalitis in Nepal, J.Inst. Med. 1982 Sep; 4(2): 133-144.
61. Status of Rabies in Nepal 1982.
62. Status of Virus Encephalitis (Japanese Encephalitis) in Nepal 1983, Paper presented in the 11th All Nepal Medical Conference, Kathmandu. Proceedings published.
63. Incidence of Japanese encephalitis in children. Nep. Paed. Soc. 1983, Jan-June; 2(1): 18-25.
64. Incidence of human Brucellosis in Kathmandu. J. Nep. M. Assoc. 1984 Apr-June; 22(2):1-7.
65. Epidemiological survey of human echinococcosis/hydatidosis in Kathmandu. J. Nep. Med. Assoc., 1985 Jan-Mar; 23(1):1.27-1.35.
66. Health aspect of water supply and sanitation. J. Nep. Med. Assoc., 1986 Oct-Dec; 24(4): 45-48.
67. Incidence of snakebite cases in Terai districts of Nepal. J Inst Med, 1985 Sept; 7(2): 131-138.
68. Status of leishmaniasis in Nepal. J. Inst. Med. 1986 Mar; 8(1): 7-12.
69. Relation between site of bite, type of bite, type of animal bite and incubation period of hydrophobia cases. J Inst Med, 1983 Sept; 5(2): 135-146.
70. Epidemiological situation of tuberculosis in Nepal. J Inst Med 1986 June; 8(2):115-128.
71. Japanese encephalitis in Nepal. JE and HFRS Bull 1986 June; 1: 5-15.Manila, WHO/WEPRO.
72. Human rabies in Kathmandu, Nepal. J Commun Dis 1981 Sept; 13(3): 160-4.
73. Development of health services research in Nepal. J Nep Med Assoc 1982 July-Sept; 20(3): 29-47.
74. Japanese encephalitis outbreak during the year 1985 and 1986. JE and HFRS Bull 1987, 2: 1-10.Manila, WHO/WEPRO.
75. Control of epidemic group A meningococcal meningitis in Nepal. Int J Epidemiol 1987 Mar; 16(1): 91-97. USA.

76. Epidemic non-A, no-B hepatitis in Nepal. Recovery of the possible etiological agent and transmission studies in marmosets. JNMA 1984 Dec; 252(22): 3140-5.
77. Suspected rabid animal bite in children of Kathmandu. Nep Paed Soc J 1983 July-Oct; 2(2): 159-166.
78. Incidence of human brucellosis in Kathmandu. Nep Paed Soc J 1985 Jan-Jun; 4(1): 9-12.
79. An epidemiological survey of snake-bite case in Dhanusha district. J. Nep. Med. Assoc. 1983 Jul-Sept; 21(3) : 1-11.
80. Evidence of leishmaniasis in Nepal. J. Nep. Med. Assoc. 1984 Jul-Dec; 22(3,4): 23-7.
81. Hydrophobia -a clinical case study. J. Nep. Med. Assoc. 1987 July-Dec; 25(3,4): 11-16.
82. Epidemiological surveillance report on Japanese encephalitis from 1978-1984. Report of Epidemiology Division. Ministry of Health. Teku, Kathmandu
83. Zoonoses, a public health problem in Nepal. Bull. Vet. Sc. & A.H. Nepal, Vol. 12, 1983: 8-17.
84. Echinococcosis/hydatidosis infection in animals of Kathmandu. Bull. Vet. Sc. & A.H., Nepal, Vol. 13, 1985: 5-9.
85. Importance of mobile veterinary service in integrated rural development project area of Nepal (a case study). Bull. Vet. Sc. & A.H. Nepal, Vol. 14, 1986: 60-65.
86. Future production and productivity of livestock farming in Nepal. Bull. Vet. Sc. & A.H., Nepal, Vol. 15, 1987: 81-89.
87. Human hydrophobia death cases recorded in Kathmandu. Published in JNMA.....
88. Role of lesser developed nations in rabies research. Review of Infectious Diseases 1988 Vol. 10, Supplement 4, S600-S603, USA.
89. Identification and mobilization of resources in rabies control, A case study, Kathmandu valley, Nepal. WHO, 1989 VPH/HSR/89.17, Geneva.
90. Incidence of Japanese encephalitis during 1989 in Nepal. Published in JNMA.....
91. Contribution made in livestock development by the Credit Guarantee Corporation published in CGC Report 1993 Kathmandu, Nepal.
92. Street foods and dairy products: a source of food, income and health hazards in Kathmandu published in JNMA.....
93. The development of the dairy industry in Nepal in particular the Dairy Development Corporation (DDC) and the participation of the Danish International Development Agency (DANIDA) (Unpublished).
94. Rabies a risk factor for the tourist industry in South Asian countries (Unpublished).
95. Seroepidemiological study of kala-azar, a preliminary report. J Com Dis. 1985; 17: 248.
96. Kala-azar in Morang District. Epidemiological situation. J.Ins. Med., 1990, 12, 205-209.
97. Continuing education in veterinary public health. XXIII World Veterinary Congress, 16-21, August, Montreal, Quebec, Canada.
98. Health system approaches in research and education. XXIII World Veterinary Congress, 16-21 August, Montreal, Quebec, Canada.
99. Prevalence of coliform organisms, yeasts and molds in milk and milk products in Kathmandu, JNMA 1991 29:17-20.
100. Prevalence of Salmonellae in street dairy products in Kathmandu. JNMA 1990, 28: 148-151.
101. Consumption pattern of essential drugs. J. Nepal Pharm. Assoc. Vol. XVI. No. 1, 2 (1989).
102. Status of Brucellosis in man and Animals in Nepal. Proceedings of the second annual conference of the Indian Association for the Advancement of Veterinary Research and National Symposium

- on Modern Trends in Animal Health and Production Research and its Impact on Rural Development at Haryana Agricultural University, Hisar, January 24-25, 1995. pp 121-129.
103. Snakebite injury problem in Nepal. Paper presented in pre-congress of 12th All Nepal Medical Association Conference, Kathmandu, Nepal.
 104. Baseline Epidemiological Study on Snakebite Treatment and Management Research Project Report of WHO, Kathmandu, Nepal., 1985
 105. Snakebite Surveillance in Nepal (1989 to 1994) National Zoonoses & Food Hygiene Research Centre, Tahachal, Kathmandu, 1995.
 106. Snakes and Human Snakebite Cases in Chitwan District of Nepal, National Zoonoses & Food Hygiene Research Centre, Tahachal, Kathmandu, Nepal, 1996.
 107. *Echinococcus granulosus* infections in the Dogs of Kathmandu, Nepal. Ann Trop Med & Parasitology. Vol 88, No. 5, pp 485-492, 1994
 108. Epidemiology of Echinococcosis in Nepal. Presented at Second Seminar on Food Borne Parasitic Zoonoses: Current Problems, Epidemiology, Food Safety and Control December 6-9, 1995, Khon Kaen, Thailand , 1995
 109. Diagnosis of Cystic Echinococcosis/Hydatidosis in Humans by Clinical, Imaging Techniques and Serology, 1996
 110. Urban Echinococcosis in Health Transition (Nepal) A Review of the Project Report, 1996
 111. Evidence of anthrax in humans and animals in Nepal, Salisbury Medical Bulletin, Proceedings of the International Workshop on Anthrax, Winchester England, September 19-21, 1995, pp. 12-13, No. 87, June 1996.
 112. WHO/SEARO/WPRO Inter-Regional Aspects of Anthrax Paper presented in Inter-Regional Workshop on Anthrax, March 9-11, 1997 Kathmandu, Nepal
 113. Public Awareness and Professional Education on Anthrax Paper presented in Inter-Regional Workshop on Anthrax, March 9-11, 1997 Kathmandu, Nepal
 114. Rabies/Hydrophobia A Zoonotic Health Hazard in Nepal, Paper presented in First National Seminar on Rabies, 17-22 November, 1985, Kathmandu
 115. Human and Canine Rabies Control Strategies in Nepal, Paper presented in First National Seminar on Rabies, 17-22 November, 1985, Kathmandu
 116. Bait System Evaluation and Field Trial for Oral Rabies Vaccination in Banepa, Nepal. Tufts University School of Veterinary Medicine, National Zoonoses and Food Hygiene Centre, Kathmandu, Nepal. 1992
 117. Medical And Veterinary Aspects of Rabies Prevention And Control In Nepal Paper Presented At Symposium On Rabies Control In Asia Organized by the Foundation Marcel Merieux With Co-Sponsorship Of W.H.O. Indonesia, Jakarta, April 27/30, 1993
 118. EPIDEMIOLOGICAL SURVEILLANCE REPORT ON JAPANESE ENCEPHALITIS (FROM 1978-1984) Published by National Zoonoses & Food Hygiene Research Centre, Tahachal, Kathmandu, Nepal, 1985.
 119. Current status of Japanese encephalitis in Nepal. Paper presented in regional workshop on control strategies for Japanese encephalitis organized jointly by the National Institutes of Health, Dept. of Medical Sciences, Ministry of Public Health, Thailand and International Development Research Centre, Canada. 4-6 October, 1994, Nonthaburi, Thailand, 1994
 120. Epidemiological surveillance findings of Japanese encephalitis during the 1987-88 outbreak in Nepal. Japanese encephalitis a Zoonotic Public Health Problem in Nepal. National Zoonoses and Food Hygiene Research Centre, Kathmandu, Nepal, 1995
 121. Japanese encephalitis outbreak during 2046-2049 B.S. (1989/1990-1992/1993) in Nepal. Journal of the Institute of Medicine 1995; 17: 1-11, 1995

122. Japanese encephalitis, a zoonotic public health problem in Nepal. National Zoonoses and Food Hygiene Research Centre, Kathmandu, Nepal, 1995
123. Epidemiological Situation of Japanese Encephalitis in Nepal in 1995 Paper presented at International Symposium on Infectious and Tropical Diseases Jointly organized by Department of Internal Medicine, Tribhuvan University Teaching Hospital, Institute of Medicine, Maharajgunj, Kathmandu, Nepal & Japan International Cooperation Agency (JICA, Nepal) March 20-21, 1996.
124. Snakebites in Terai Region of Nepal Paper presented at International Conference on Environment of Occurrence of Snakebites, and their Medical Treatment and Prophylaxis. Jointly organized by Japan Snake Institute and WHO/SEARO at Maebashi City Japan on August 30 - Sept. 1, 1997.
125. Yak production in Nepal , Asian Livestock FAO Regional Office Bangkok, Thailand October Vol. XIX No. 10 pp;132-136, 1994
126. Yak Production in Nepal, Yak Production in central Asian Highlands Proceedings of the first International Congress on yak , Journal of Gansu Agricultural University, Special Issue pp:105-112, 1994.
127. Final Report on Epidemiological Surveillance of Yak Diseases in Nepal. Published by National Zoonoses & Food Hygiene Research Centre, Tahachal, Kathmandu, Nepal, 1996.
128. Yak : Multipurpose Animal. Published by National Zoonoses & Food Hygiene Research Centre, Tahachal, Kathmandu, Nepal, 1996
129. Epidemiological Aspects of Yak Diseases in Nepal. Paper presented in Second International Congress on Yak, Xyining, China, Sept 2- 5, 1997.
130. TWENTY FIVE YEARS OF THE NEPAL VETERINARY ASSOCIATION. Paper Presented on 4th Nepal Veterinary Association Conference, Kathmandu 1994.
131. The Status of Human Plague in Asia and the World. J. Nep. Med. Assoc. 1995; 33:153-163.
132. Epidemiological Situation of Human Plague in Nepal JNMA vi 23 no. 3 pp 33-39.
133. Epidemiology of Plague. Kathmandu Post 5 Oct., 1994.
134. DAIRY SECTOR IN PROCESS OF PRIVATIZATION IN NEPAL National Dairy Development Board, Kathmandu, Nepal, 1992.
135. The Development of the Dairy Industry in Nepal in particular the Dairy Development Corporation (DDC) and the participation of the Danish International Development Agency (DANIDA). Paper presented at "The Third National Conference of Nepal Veterinary Association", 10-12 August, 1990, Kathmandu 1990.
136. Impact of Dairy Activity on the Income of Rural Milk Producers in the Mid-western Region of Nepal. Paper presented at "The Fourth National Conference of Nepal Veterinary Association", 17-19 November, 1992, Kathmandu 1992.
137. Role of National Dairy Development Board Regarding Dairy Extension in Nepal, National Dairy Development Board, Kathmandu 1993.
138. National Dairy Development Board (NDDDB). Experience on Dairy Development in Nepal, Paper Presented in : Seminar/Workshop on Dairy Development Policy Formulation and Implementation - Sharing of Experiences Between Africa and Asia, Harare, Zimbabwe, 12-16 July, 1993.
139. Improving Dairy Efficiency and Reducing Methane Production in Nepal at the Conference on Activities Implemented Jointly, UNFCCC: Developing Countries. The conference was sponsored by the Joint Implementation Network (JIN), and hold from January 8-10, 1997 in New Delhi, India 1997.
140. Snakebites in Tarai Regions of Nepal, Paper Presented in International Conference on Environment of Occurrence of Snakebites of Asian Areas, August 30 to Sept 2, 1997, Tokyo, Japan.
141. Snakebite An Eco-system Health Problem in Kailali and Kanchanpur, Published in Nepal Public Health Association Journal, First Issue 1998.

142. Epidemiological Surveillance Study of Snakes and Snakebite Human Cases in All Tarai Districts of Nepal, Published by National Zoonoses & Food Hygiene Research Centre (NZFHRC), Tahachal, Kathmandu, Nepal, September 1996.
143. Conservations of Indigenous Breeds of Livestock in General and Yak in Particular in Nepal, Paper Presented, Fourth Global Conference on Conservation of Domestic Animal Genetic Resources, 17-21 August, 1998, Birendra International, Convention Center, Baneshwor, Kathmandu, Nepal.
144. Diagnosis of Cystic Echinococcosis/Hydatidosis, in Humans by Clinical, Imaging Techniques and Serology, Paper Presented in INTERNATIONAL CONGRESS ON HYDATIDOLOGY, 3-7 NOVEMBER, 1997, LISBON/LISBOA, PORTUGAL.
145. Urban Echinococcosis in Health Transition (Nepal), A Review of the Project Report, Paper Presented in INTERNATIONAL CONGRESS ON HYDATIDOLOGY, 3-7 NOVEMBER, 1997, LISBON/LISBOA, PORTUGAL.
146. Brucellosis in animals and human of Chitwan, PAPER PRESENTED IN WORKSHOP ON STATUS OF ANIMAL HEALTH IN NEPAL, June 10 - 12, 1998, Kathmandu, Nepal.
147. Emerging Zoonotic Diseases in Nepal, PAPER PRESENTED IN WORKSHOP ON STATUS OF ANIMAL HEALTH IN NEPAL June 10 - 12, 1998, Kathmandu, Nepal.
148. Snakebites in Tarai Regions of Nepal, Paper Presented in International Conference on Environment of Occurrence of Snakebites of Asian Areas, August 30 to Sept 2, 1997, Tokyo, Japan.
149. Agro-Livestock Ecosystem Health Nepal, Paper presented in Vth Annual Conference of The Indian Association for the Advancement of Veterinary Research & National Symposium on "Challenges for the Advancement of Veterinary Science in 21st Century" at College of Agricultural Science, Indoor on February 18-19, 1998), India.
150. Book on Rabies Present Status & Future Strategy to Control Rabies In Animals & Human, Nepal. Dr. Durga Datt Joshi, Dr. Ray Butcher, Dr. Lucy Neave and Dr. N.P. Ghimire, 2000.
151. Status of Meat Slaughtering/Inspection in Nepal. *Dr. D. D. Joshi & Dr. N. P. S. Karki* . Paper Presented On: Rabies In Nepal: A Workshop To Develop Long Range Solutions. Kathmandu, Nepal. April 2001.
152. Socio-economic Status of Human Post-exposure Cases for Rabies in Nepal. Ms. Minu Sharma (Joshi) and Dr. D.D. Joshi. Paper Presented in Third National Conference on Science and Technology, Royal Nepal Academy of Science and Technology, 1999, Kathmandu, Nepal.
153. Using the Health Promotion Approach to Control Food-Borne Parasitic Zoonoses in Nepal: With Emphasis on Environmental Assessment. M. Jimba, DD Joshi. Paper Presented in The 3rd Seminar on Food-Borne Parasitic Zoonoses : Food and Water-Borne Parasitic Zoonoses in the 21st Century. Joint International Tropical Medicine Meeting 2000. 6-8 December, 2001.
154. Controlling *Taenia Solium* in Nepal Using the Precede/Proceed Model. D.D. Joshi, MP Poudyal, M. Jimba, PN Mishra, LA Neave, M Maharjan. Paper Presented in The 3rd Seminar on Food-Borne Parasitic Zoonoses : Food and Water-Borne Parasitic Zoonoses in the 21st Century. Joint International Tropical Medicine Meeting 2000. 6-8 December, 2001.
155. Existing Status of Animal Slaughtering Practices and Meat Inspection in Nepal. *Dr. D. D. Joshi, Dr. Hans Kristian Olesen and Dr. A. Lee Willingham*. This Paper Presented in the 10th International Conference of "Livestock Community and Environment" 20-23 August 2001 Copenhagen, Denmark.
156. Japanese Encephalitis Situation in Nepal. *Dr. D.D. Joshi, Harish Joshi, M. Maharjan, M. Sharma*. This paper is presented in 3rd International Conference on Emerging Zoonoses, Holland, October 10-14, 2001.

157. Visceral Leishmaniasis (Kala-azar) Outbreaks in Nepal. *Dr. D.D. Joshi, Harish Joshi, M. Maharjan, M. Sharma*. This paper is presented in 3rd International Conference on Emerging Zoonoses, Holland, October 10-14, 2001.
158. A book on "Dog Rabies Vaccination and Future Rabies Control Plan in Kathmandu Valley" was published and circulated to the concern authorities freely.
159. Kathmandu Zoo study on "Welfare Assessment of Wildlife Animals and Birds in Zoo of Kathmandu Nepal" was carried out during the year of 2001 to 2002 which was supported by WSPA, London, UK. Final report has been prepared and set to WSPA.
160. Urban Ecosystem Approaches to Human Health: Linkage between Research Results and Policy Development Kathmandu Case Study. *Dr. D. D. Joshi, M. Sharma and Mahendra Maharjan*. This paper is presented in the "International Forum on Ecosystem Approaches to Human Health Montreal, Canada May 18-23, 2003.
161. Meat Production and Marketing in Nepal from a smallholder livestock farmers' perspective. *Dr. D. D. Joshi, Bimal Chhetri, Minu Sharma and Mahendra Maharjan*. This paper is presented in "Livestock and Livelihoods: Challenges and Opportunities for Asia in the Emerging Market Environment" National Dairy Development Board Ananda, India November 10-12, 2003.
162. Taeniasis/Cysticercosis Situation in Nepal. *Dr. D. D. Joshi, Mahendra Maharjan, Maria Vang, Johnsen, Arve Lee Willingham, Yogendra Gaihre and Minu Sharma*. This paper is presented the "**4th Seminar on Food and Water-borne Parasitic Zoonoses 2nd International Meeting on Gnathostomiasis Joint International Tropical Medicine Meeting 2003**", 2-4 December 2003, Siam City Hotel Bangkok, Thailand.
163. Urban Ecosystem and Health in Kathmandu: Community -based biological assessment of drinking water sources. *Dr. D. D. Joshi, Mahendra Maharjan, Minu Sharma*. This paper is presented in the "Third International Conference on Environment and Health & Post-Conference Workshop GIS and IT Tools for Information Sharing", December 15-18, 2003. Department of Geography University of Madras Chennai: 600 005, India.
164. Dog Owners' Knowledge About Dog Population Control and Rabies Vaccination in Nepal. *Y. Kato, T. Igarashi, F. Imoto, Suresh Shibata, Durga Datt Joshi, Minu Sharma and Mahendra Maharjan*. This paper is presented in the "4th National Conference on Science and Technology. Organized by Royal Academy of Science and Technology Kathmandu, Nepal. March 23-26, 2004.
165. Book on Japanese Encephalitis a Zoonotic Public Health Problem in Nepal. *Dr. Durga Datt Joshi, Dr. Padam Raj Bista and Dr. Harish Joshi*. Published in 2003.
166. Book on Participatory Action Research on Urban Ecosystem Health in Kathmandu Inner City Neighbourhoods. *Dr. Durga Datt Joshi, Ms. Chhing Lamu Sherpa and Prof. Dr. David Walter Toews*. Published in 2003.
167. Book on Wildlife in Captive and Status of Wildlife Conservation in Nepal. *Dr. Durga Datt Joshi, Mahendra Maharjan and Minu Sharma*. Published in 2003.
168. Book on Urban Ecosystem Health Approaches to Local Initiatives in Kathmandu Ward No. 19 and 20, Nepal. *Dr. Durga Datt Joshi, Ms. Minu Sharma, Ms. Mahendra Maharjan, Dr. Harish Joshi and Dr. Padam Bahadur Chand*. Published in 2003.
169. Book on Dog Rabies Vaccination in Pokhara Sub-metropolitan City and Lekhnath Municipality in Pokhara. *Dr. Durga Datt Joshi, Ms. Minu Sharma, Dr. Y. Kato and Ms. Teruko Fgarahi*. Published in 2003.
170. Book on Dog Rabies Vaccination Report of Eight Municipalities of Kathmandu Valley and Kabhre District. *Dr. Durga Datt Joshi, Ms. Minu Sharma*. Published in 2003.
171. Book on Ecosystem Health Awareness Training Manual. *Dr. Durga Datt Joshi, Dr. Padam Bahadur Chand, Dr. Harish Joshi, Mr. Mahendra Maharjan and Ms. Minu Sharma*. Published in 2004.

172. Book on Community Based Water Quality Monitoring and Drinking Water Management Manual. Dr. Durga Datt Joshi, Mr. Andres Sanchez, Mr. Barney Dutka, Dr. Madhav Karki and Mr. Mahendra Maharjan. Published in 2004.
173. Mid-western Regional Training on Humane Animal Slaughtering and Meat Inspection Management Proceeding. Dr. Durga Datt Joshi. Published in 2004.
174. Far-western Regional Training on Humane Animal Slaughtering and Meat Inspection Management Proceeding. Dr. Durga Datt Joshi. Published in 2004.
175. Serological Evidence of Trichinellosis in Local Pigs of Nepal. D. D. Joshi, L.N. Moller, M. Maharjan, C.M.O. Kapel. "XIth International Conference on Trichinellosis (ICT-11)". Organized by International Conference on Trichinellosis (ICT), San Diego, California. August 8-12, 2004.
176. Food Safety Programme Implemented in Chitwan District. "The Association Liason Office for University Cooperation in Development Synergy in Development Washington, DC. August 11-13, 2004". Organized by ALO, Washington DC. USA.
177. Use of Enzyme Linked Immunosorbent Assay (ELISA) for the Diagnosis or Clinically Suspected Referred Human Cystic and Alveolar Hydatidosis Cases in Nepal. Dr. D. D. Joshi, Mr. Mahendra Maharjan, Dr. Harish Joshi and Dr. P.B. Chand. World Conference on Magic Bullets to Celebrate Paul Ehrlich's 150th Birthday. Organized by International Society of Chemotherapy (ISC), Nurn berg Germany September 9-11, 2004
178. Echinococcosis and Cysticercosis Situation in Nepal. Dr. Durga Datt Joshi and Mr. Mahendra Maharjan. "2nd International Seminar on Technology Transfer for Immunodiagnosis of Cysticercosis and Echinococcosis". Organized by Asahikawa Medical College, Hokaido, Asahikawa, Japan. 14 September to 1 October, 2004.
179. Wild Life in Captive in Nepal. Dr. Durga Datt Joshi and Ms. Minu Sharma "Asia for Animals Conference 2005 (AFAC)". Organized by Asia for Animals 22-24 June 2005 Singapore.
180. 1st paper "Taeniasis and Cysticercosis in Nepal" and 2nd paper "Socio Demographic Aspect of Pig farmers which are Proven Positive for Taeniasis/Cysticercosis". Dr. Durga Datt Joshi, Ms. Minu Sharma and Dr. Akira Ito. "1st International Parasitic Disease Update 2005". Organized by Faculty of Medicine University of Indonesia. April 16-17, 2005 Jakarta.
181. Taeniasis/Cysticercosis in Nepal. Dr. Durga Datt Joshi. Taeniasis/Cysticercosis and Echinococcosis International Symposium with Focus on Asia and the Pacific and The Third Congress of Federation of Asian Parasitologists focused on Cestode Zoonoses 5-8 July 2005 Asahikawa, Japan.
182. Visceral Leishmaniasis Outbreaks in Nepal during the Year 1980-2003. Dr. Durga Datt Joshi, Minu Sharma and Shrawan Bhandari. "6th Joint Annual Conference of Indian Society for Malaria and Other Communicable Diseases (ISMOC) and Indian Association of Epidemiologists (IAE)". Organized by National JALMA Institute for Leprosy and Other Mycobacteria Disease (ICMR) Agra, India, 11-13, February 2006.
183. Book on "Review on Pandemicity of "Bird Flu" by Dr. Durga Datt Joshi. Published by National Zoonoses and Food Hygiene Research Centre. January 2006.
184. "Review and Analyze Policy Issues, Legislative Frameworks and Development of Legislative Instruments to Fill Key Gaps Related to Cross-border Trade and Risk Management of Highly Pathogenic Avian Influenza (HPAI) in Nepal"

Experience:

1. Two years teaching experience to Junior Technical Assistant in Agricultural Science at School of Agriculture, Kathmandu, 1959 to 1961.
2. Joined Veterinary services of His Majesty's Government of Nepal in the year 1965.
3. In charge Officer of Zonal Veterinary Hospital, Doti from 1965 to 1969.
