Symposium on Human Rabies Prevention and Control October 22, 2011 Caribe Hilton, San Juan, Puerto Rico

Join the Centers for Disease Control and Prevention and the Puerto Rico Department of Health for a **Symposium on Human Rabies Prevention and Control***. The full-day rabies symposium will consist of presentations from rabies experts and provide a forum for discussion. The conference will bring together internationally recognized experts in rabies from academia, private and public health disciplines. There is no cost to attend, but space is limited to the first 100 registrants.

Register at: http://www.worldrabiesday.org/EN/events/human_rabies_symposium.html

Continuing Education: CME: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians. The Centers for Disease Control and Prevention designates this live educational activity for a maximum of 5.0 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity. Non-physicians will receive a certificate of participation.

CNE: The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation. This activity provides 5.0 contact hours.

IACET CEU: The CDC has been approved as an Authorized Provider by the International Association for Continuing Education and Training (IACET), 176 Old Meadow Road, Suite 500, McLean, VA 22102. The CDC is authorized by IACET to offer 0.5 ANS/IACET CEU's for this program.

AAVSB/RACE: This program was reviewed and approved by the AAVSB RACE program for continuing education. Please contact the AAVSB Race Program at race@aavsb.org should you have any comments/concerns regarding this program's validity or relevancy to the veterinary profession.

CPE: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is a designated event for pharmacists to receive 5.0 Contact Hours in pharmacy education. The Universal Activity Number is 0387-0000-11-077-L01-P.

* This symposium is supported by the CDC Foundation through an educational grant provided by Novartis Vaccines and Diagnostics

CDC, our planners, and our presenters wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Presentations will not include any discussion of the unlabeled use of a product or a product under investigational use with the exception of Dr. Recuenco discussion on ACIP recommendations. Dr. Recuenco will be discussing current ACIP recommendation which include four doses of the rabies vaccine, which is different than the current manufacturer's label indications of five doses of the rabies vaccine. CDC does not accept commercial support.
